

DABSA Championship Show - Young, NSW - ☐ January 2013

We were thrilled to win the two progeny from the same sire ribbon with JOY's Painted Treasure and JOY's Patricia Royal shown here with myself and Gracie, who loved receiving the blue ribbon and is becoming quite the donkey hander! Huge thanks to Tracy and Pat and Barry for putting on the best Championship show ever!!

We are very pleased to share the news of the safe arrival of Fisher's Painted Teardrop

and her Jenny foal Thyme, (sired by Fisher's King David USA).

Teardrop and Thyme arrived in Sutton Tues 6 December, after months in transit.

We are so happy they are finally here safe and sound!!
